

CRITICAL RALLY

A NEW CONTRACT!!

•

RECEIVERSHIP!!

The Board of Education will meet with its negotiating team to discuss our negotiations on **Wednesday, November 18, 2015.**

We must be there to show our anger with their insulting offers and that we want an excellent new contract NOW.

The Superintendent and Commissioner have continued their anti-teacher, anti-student attacks while using Receivership to attack our contract – the same contract that is in place at all of our schools.
