MEMO TO: Dr. Kriner Cash, Superintendent, BPS

FROM: Philip Rumore, President, BTF

RE: You have wanted a War - - you have one

Apparently, the memo from me relating to your and the District's lack of honor and integrity went unheeded.

Attached please find the memo dated June 20, 2017 which was sent to the Elementary Principals and Assistant Principals.

Darren Brown's memo of June 19, 2017 was our first indication that the District was looking for a confrontation and to anger teachers. Two subsequent memos have confirmed this.

We look forward to your and the District representatives' testimony on this issue, under oath, at the arbitration.
