RE: APPR – Call to Action

Seven courageous Regents have called for a delay and significant changes to the destructive new APPR process. The Position Paper Amendments (Attached Below) will be voted on at the next June 15th meeting of the Regents.

Please contact the seven Regents who are listed (bolded below) as supporting the amendments to thank them. In particular, please thank our new Regent, Catherine Collins.

It is important that you contact all Regents to support these amendments.

NOTE: There are 17 Regents and it take a majority 9 to pass.
