MEMO TO: All Buffalo Teachers
FROM: Philip Rumore, President, BTF
RE: BTF Flint – We Care Initiative

We have been in contact with the United Teachers of Flint to determine how we can help. They have informed us that presently they have plenty cases of water; however, they and their students are in desperate need of school supplies, clothes, etc. We will allow the teachers of Flint to make timely decisions on what is needed.

They are very grateful for our call and apparently played my voicemail offer of assistance to their Executive Committee.

The BTF will make up the difference between what we collect from teachers and \$5,000. Hopefully, we will collect more than \$5,000.

Please make your checks out to “BTF/Flint – We Care” and send it by March 15, 2016 to BTF/Flint – We Care, 271 Porter Avenue, Buffalo, New York 14201.

We will keep you updated on how your generosity has helped the students of Flint.

Thank you as always for your continued support and solidarity.
