MEMO TO: All Buffalo Teachers
FROM: Philip Rumore, President, BTF
RE: BTF Legal Challenge to Receivership Filed

Below, please find copies of our challenge to Receivership that is being filed today.

The BTF has been working closely with NYSUT for about a month to ensure that we have covered every avenue as we continue to work on other ways to overturn this vindictive anti-student, anti-teacher legislation.

We will, obviously, be working to overturn this legislation in the New York State Legislature. Remember, all New York State Legislators will be up for reelection in November.

Be assured, we will continue the battle against Receivership until it is overturned.

Reminder -- please continue forwarding instances of the misuse of receivership regulations by administrators. When you are told you must do "x" as part of Receivership, ask for a written copy of the directive and send it to BTF at sumhauer@btfny.org.

Thank you again for your solidarity and support. You are the best!
