The BTF was instrumental in obtaining these NEA and NYSUT grants. You should have begun to hear the radio spots.

For too long, the story of all the thousands of wonderful things that are happening in our schools had been ignored with only the negative reported.

We couldn't obtain free media coverage so we applied for the grants to show everyone what a great job you are doing.

We hope to continue the campaign for a year.

You should be proud of all that you do for our students. We, with the new Parent Teacher Organization will continue to shine that light on you and your students.

Instructions on how to submit stories will be forthcoming. Check out the website [www.buffaloschoolsbelieve.org](http://www.buffaloschoolsbelieve.org).
