The Variety Club Telethon will be held on Sunday, March 22nd. Information has been sent to each school requesting teachers participate in fundraising efforts to benefit the Telethon.

There is also a new supplemental way of contributing to the Telethon this year. All Buffalo Teachers and retirees are able to donate \$10 by following the steps below:

- Text the word VARIETY to 20222
- Enter your zip code
- A \$10 donation will be billed to your cell phone bill
- When you pay your cell phone bill, the company will pay the Telethon ten dollars
- The Telethon will then keep track of the Buffalo Teachers and retirees that donate

***This option is available only until MARCH 10 for Buffalo Teachers and Retirees***

All teachers can also donate by writing a check to Variety Club Telethon and sending it to the BTF
