September 23, 2016

MEMO TO: Extended Pay Plan Participants

FROM: Philip Rumore, President, BTF

RE: Error in Extended Pay Plan Deductions

The BTF office sent all extended pay plan adjustments (new participants, withdrawals from the program, increases in deductions and decreases in deductions to the Buffalo Public School payroll department to go into effect today Friday, September 23, 2016.

Unfortunately, due to an error in the Payroll Department, none of the changes went into effect today. We are aware of the problem and will work with the payroll department to correct the error ASAP.

This only affects the participants in the Extended Pay Plan that requested a change in their deduction.
