RE: Extension of SLO/LMA Deadline

In response to our concerns relating to the data dashboard malfunction last weekend, we received word last evening that the deadline to submit SLOs/LMAs had been extended to **Friday, October 30, 2015**. Lead evaluators (administrators) will have until Monday, December 7, 2015.

Please see the correspondence below. It was also emailed by the District to you and administrators.

Subject: IMPORTANT Change: SLO/LMA Submission/Approval Deadlines

Good evening everyone,

As a result of system outages that occurred over the weekend, the deadline for teachers to submit the SLO/LMAs has been extended by one week to **Friday, October 30, 2015**.

To accommodate the extension in the deadline for teachers, lead evaluators will also have an additional week to approve the SLO/LMAs. This new date to approve SLOs/LMAs is now **Monday, December 7**.

After October 30, if teachers experience any extenuating circumstances, lead evaluators should address the issues on a case by case basis. Please contact the Office of Shared Accountability if you require further support.

Let me know if you have questions. Please share this with your teachers - I will send this out district wide tomorrow.

Thank you.

Fortune favors the prepared mind.
