MEMO TO: All Extended Pay Plan Participants
FROM: Philip Rumore, President, BTF
RE: Extended Pay Plan Update of Two Previous Emails

In working with the two banks involved and the District, it is our understanding that the Extended Pay Plan monies, deducted by the District in error, are being returned to the District no later than Friday, July 8, 2016.

We have been told by the District that they will begin to prepare teacher checks next week.

We will update you when we receive a more definitive date for distribution of your monies.
