RE: First Book

I am excited to inform you that for the fourth year, each student in Buffalo Public Schools will be receiving a new book from First Book on behalf of the Buffalo Teachers Federation and NYSUT.

A teacher from your building has volunteered to be your First Book Coordinator. Your coordinator will be given a list of titles grouped by age levels. Each teacher will then prioritize the titles they prefer for their students. The ISBN numbers are listed on the form if you want to research the titles prior to your selection.

Once you have completed your request you will return it to your coordinator and they will place the order online. The online ordering system will be available to the coordinators from May 25th - through June 3rd and will be completed and shipped on a first come first pick basis. Therefore, it is important that you return your order form to you coordinator by May 24th.

The books will then be delivered to your school for distribution. Teachers will be able to witness firsthand the joy in the faces of their students when they receive their own new book!
