RE: First Book

We are excited to inform you that for the second year, each student in Buffalo Public Schools will be receiving a new book from First Book on behalf of the Buffalo Teachers Federation.

A teacher from your building has volunteered to be your First Book Coordinator. Your coordinator will be given a list of titles grouped by age levels. Teachers will then prioritize the titles they prefer for their students. The ISBN numbers are listed on the form if you want to research the titles prior to your selection.

Once you have completed your request you will return it to your coordinator and he/she will place the order online. **It is important that you return your order form to your coordinator by May 13th.** The online ordering system will be available to the coordinators from May 14th – May 16th and orders will be filled on a first come first pick basis.

The books will then be delivered to your school by early June for distribution. Teachers will be able to witness firsthand the joy in the faces of their students when they receive their own new book!
