Subject: SLO and LMA update

Colleagues,

Thank you for your patience through our PGS dilemma. We continue to work on a resolution and we will give you immediate notice when the matter is resolved.

At this time, please do not give teachers a deadline to complete the SLOs and LMAs. We do not have clarity regarding when PGS will be able to support this component of the APPR process.

For now you can still use PGS to conduct and rate unannounced and announced observations.

Again thank you for your patience and we will keep you posted!
