RE: Illuminate Portal “Post-Tests” and Passwords

We have received complaints from teachers relating to the Illuminate Portal “Post-tests” and passwords.

For example, one of the passwords that a student must use to access the program is “Slave!”, as well as others such as “powder”, “trick”, “crook” and “choke”. We have been in contact with the District. What changes will be made and when is unclear at this time.

If you have concerns relating to this post-test, please email them to Sierra at sumhauer@btfny.org.

The BTF is grieving the whole concept of a District post-test without a District pre-test.
