RE: Mark Reporting Timeline

The District has finally agreed with BTF that the “new” grade reporting timeline that the District circulated recently is incorrect in that it did not provide teachers with five school days between when marks close and grades are to be reported (inputted).

The following previous schedule for first semester posted from September to November is the correct one

Report card marks close Friday, November 8, 2013

SMS Grade Window, November 12, 2013 to November 18, 2013

Report Cards to Home, Monday, November 25, 2013

We have been advised that the correction will be made by the IT department and posted on Infinite Campus.

Any problems, please call BTF.
