RE: Negotiations Update

As you know, we have taken legal action (an Improper Practice - IP) against the District as a result of the District's last insulting offer that not only reduced their previous offer by \$16,000,000, but introduced 20 new (pathetic) proposals.

We have also requested that the Public Employment Board assigned a conciliator to our negotiations. We want a PERB witness to the to the District's actions.

We are awaiting a response from PERB.

As a result of the above, we have notified the District that we will await the assignment of a PERB conciliator before proceeding with negotiations (see attached).

Stay tuned.
