RE: Negotiations Update

The Board/District has opposed our request for a PERB appointed neutral; however, we have answered their objections (attached) and await PERB's response prior to resuming negotiations, or rather regressive negotiations.

In addition, we will be filing another Improper Practice against the Board/District to have their regressive proposals withdrawn and to have them found guilty of violating the Taylor Law.

Additionally, as expected, the Buffalo "News" has refused to print my editorial as an Op Ed but rather wants it cut down to a letter to the Editor. The answer to the News was No! So much for journalistic integrity.

Stay tuned.
