MEMO TO: All Buffalo Teachers
FROM: Philip Rumore, President, BTF
RE: New Transfer Procedure

We continue to receive complaints relating to school conversations/interviews, e.g. no principal present, building administration has no knowledge of vacancies, long line of teachers, etc.

The bottom line –

Regardless of the circumstances you encountered or the feedback you received at the Open House or elsewhere, you should go to the Transfer Day meeting.

If you do not receive the available position that you desire based upon your seniority, i.e. if your name is projected/called based upon your seniority and you are not assigned to the available school of your choice:

- Write down the time your name was projected/called.
- Write down the name of the school/position that you selected from the list.
- Ask the reason for you not receiving the assignment you have chosen.
- Contact the BTF with the information, sumhauer@btfny.org.
- We will grieve it.
