RE: NYSUT Summer Canvassing Positions

NYSUT will be funding training and stipends for teachers who are interested in canvassing voters during the summer to obtain their views on public education.

There will be a \$1,500 stipend.

Attached, please find a copy of the information we just received.

If you are a Buffalo teacher, you can indicate you have my approval on the application.

An adjustment will be made to the July 6th date for anyone selected that is a delegate to the NEA RA that ends on July 6th.
