RE: Rally

Thank you to all who attended last Wednesday's successful rally at City Hall and Lafayette High!

BTF has been asked to support the following rally sponsored by BPTO, AQE, Citizen Action and Push Buffalo.

PR:su

Community opposition is growing to the BOE majority's plan to privatize our schools and some leaders are starting to listen! We need to keep up this FIGHT to defend our Buffalo PUBLIC Schools!

On Wednesday, October 22, at 5PM on the steps of City Hall, the Buffalo PTO will join with parents, students, community organizations, educators, and public education advocates as we build on the momentum we have and demand that the Paladino led majority stop playing their game with our students. We will demand the reversal of the resolution that was passed without ANY community input.

We are standing up for a quality education for every child, not the select few. We are standing up against the push out of students and of the community. And we are standing up against their plan to privatize the Buffalo Public Schools.

We are calling on all of you to stand with us.

Join us on the steps of City Hall at 5PM on Wednesday, October 22nd. We will march up to the 8th floor to address the Board of Education directly afterward.
