RE: Request for Help

The teachers at City Honors are asking for support for one of our colleagues.

From the Teachers at City Honors:

Erica Jennings is a BPS Spanish and French teacher who began teaching at City Honors/in BPS three years ago. Since her arrival, she has been a blessing to our students and school. Just before the holiday break, she went to the doctor to be evaluated for migraine headaches and within an hour was being rushed into emergency surgery to remove a cancerous brain tumor. She recently underwent a second surgery and will need ongoing treatments to fight the cancer. A coworker of Erica's husband has set up a GoFundMe page to benefit their young family. Please consider following this link to learn more about Jennings' story and how you can assist this fellow teacher. Thank you for your consideration of this wonderful teacher person.
