MEMO TO: All Buffalo Teachers
FROM: Philip Rumore, President, BTF
RE: School Safety Concerns

We have compiling the information teachers have sent to us relating to safety concerns in their building and in general; however, we wanted to give you another opportunity to relay school safety concerns to us, e.g. doors that don't lock from the inside, malfunctioning (or non-existent) school P.A. systems, persons entering the building, lack of school security officers, communication with teachers and parents, etc.

Please email (sumhauer@btfny.org) any additional safety concerns you have to us ASAP, but no later than June 11, 2018.

We will be forwarding them to the District and working together with the District to ensure that all schools are safe and that protocols for dangerous situations are developed.

This will, of course, be a continuing process. Therefore, even after this survey has been completed, please forward any safety concerns to us (sumhauer@btfny.org) and we will work with the District to ensure that they are addressed and inform you of the actions taken to address them.
