RE: Seniority List

Below, please find copies of the seniority lists. We are still awaiting a corrected cover letter from the District explaining the various categories. The cover letter they sent was filled with inaccuracies.

We will send the clarifying letter when we receive it and it is correct.

Also below is a copy of a form for you to complete if you find mistakes. We have already found some. There will be mistakes since this is the first time the District has attempted to computerize the lists.

The lists will also be posted on our website, www.btfny.org/misc. Two (2) hard copies will be sent to each school once we have them as correct as possible.
