MEMO TO: All Buffalo Teachers
FROM: Philip Rumore, President
RE: Snow / Hazardous Days

Attached please find information on the number of Snow / Hazardous days.

The MOU approved the teachers Calendar year 2018-2019

This proposed calendar would include 188 days of teacher attendance thereby allowing flexibility for 4 snow days.

Should the number of days of required student attendance fall below the minimum required for state aid, the District agrees that it will use Superintendent's days not designated as exam grading days as make-up days if possible. The District will then use days designated as spring recess if absolutely necessary to comply with NYS Law and NYSED regulations.

If there are days at the end of the school year which exceed the required 180 days of student attendance, the District agrees that it will meet with the Union to discuss how those days will be used.
