

Solidarity Demonstration

As per the President's Report that is arriving in your buildings, we will be demonstrating our anger and frustration with the Board canceling our negotiations until after May.

We now have a fair Fact-Finder's report that should be the basis of a settlement.

That they want to change their outside counsel/chief negotiator is not our problem. Let's show the Board and community we are united and we demand, yes demand, the resumption of negotiations now and a new contract based upon the Fact-Finder's Report... now.

WHEN: Wednesday, April 29, 2015
(Before the Board Meeting)

TIME: 4:00-5:15 (the Board Meeting Starts at 5:30)

WHERE: B.A.V.P.A.
450 Masten Avenue
Buffalo, New York 14209

If you are not there, they will think you don't care.
