SUPPORT FOR OUR SCHOOLS FALSELY LABELED “FAILING”

- **Against** the Board’s 5-3 vote asking the Commissioner to waive Charter School timelines to allow for Charter Schools at Martin Luther King Multicultural Institute, Lafayette High School, Bennett High School, East High School “or any other location in Buffalo”,
- **Against** blaming teachers and staff for problems caused by over-sized classes, the lack of support personnel, the lack of ESL teachers, high numbers of ELL and Special Needs students within some schools without the needed assistance, the lack of sufficient programs and supplies, etc.
- **Against** standardized tests that stifle creativity, inhibit critical thinking, are developmentally inappropriate and in short, destroy a student’s love of learning.
- **Against** tests that amount to institutionalized child abuse.
