RE: Teacher Assaults

We are hearing of an increase in assaults on teachers. We want to ensure that we have an accurate record of teacher assaults. Please make sure that you have completed the attached BTF Incident Report Form. It should not be confused with any forms or statements you submitted to the District.

If you have not, or are unsure if you have completed an Incident Report Form, please complete one and fax it to BTF (881-6678).

Assaults on teachers or students will not be tolerated. In order to ensure that there is strong action to deal with teacher assaults, we need to know of each and every one.

If you know of a colleague who has been a victim of an assault, please encourage them to complete the form and send it to us.

Thank you in advance for your assistance in this very important matter.
