**MEMO TO:** All Buffalo Teachers  
**FROM:** Philip Rumore, President, BTF  
**RE:** Teachout to Challenge Cuomo

The end of the school year, while often eagerly anticipated, is a very busy time.

However, if you could just take a few minutes (before or after school hours) to sign the petitions to get Zephyr Teachout and Tim Wu on the ballot in the Democratic Primary for Governor to challenge Governor Cuomo, it would send a strong message to the Governor – “Our schools do not deserve your “Death Penalty”.

Petitions and self-addressed stamped envelopes have been sent to each delegate chair.

Every signature is important. If you are able to circulate a petition in your neighborhood, you can make copies.

We need them back by July 1.

Thank you as always for you solidarity and support. You are the very best.
