RE: "Vote No" Video/Rap Disaster Relief

Here is the amazing "Vote No!" video that we commissioned. Yes, the rapper and video producer identified are Buffalo teachers. I'm sure you agree; they did a fantastic job. Thank you, Jeff and Keith.

We are forwarding it to all of our contacts for them to share as well.

We are running out of "Vote No!" lawn signs so please call before you come to pick some up.

Puerto Rico

For some reason we have had a lower than anticipated response to help the people of Puerto Rico that have been devastated by Hurricane Maria.

In answer to requests, we are sending additional pre-paid envelopes to your delegate chairperson.

Thank you in advance for your support for the families and friends of friends in our community who are and will be suffering for many months to come.
