## BTF PROTEST DEMONSTRATION

Buffalo Teachers will be demonstrating their anger with the Board's most recent delaying tactic in their negotiations.

The Board has canceled all negotiations for the month of May while they supposedly look for a new chief negotiator.

The BTF is filing an Improper Practice charge with the New York State Public Relations Board.

"We have recommendations and a report done by a neutral PERB appointed Fact-Finder that should be the basis for a settlement. Yet, the District insults our teachers by calling off negotiations. We have waited long enough. We want action now!" stated BTF President Phil Rumore.

**DATE:** Wednesday, April 29, 2015 (Before Board Meeting)  
**TIME:** 4:00 – 5:00 pm  
**PLACE:** B.A.V.P.A.  
450 Masten Avenue  
Buffalo, New York 14208

The BTF will also be supporting the BPTOs' call and rally for transparency, public input and an expanded superintendent search.
