MEMO TO: All Buffalo Teachers

FROM: Philip Rumore, President, BTF

RE: Scam?

We are awaiting confirmation that the correspondence most teachers received relating to a company, Kroll, providing free services relating to the hack on the District. Please take no action until the District confirms that this is not a scam. We have asked that the District notify you regarding this.

The District has just responded to us that the "Kroll" correspondence is not a scam. You will be receiving correspondence from the District.
